Mrs. Sharon Franciosa
Assistant Principal

January 9, 2017

Dear Families,

Each and every day here at Pine Road we welcome nearly 950 boys and girls through our doors. Many of our students arrive via their school bus and many others are driven to school by one of their grown-ups. We regularly review our operational procedures and strive to ensure that we have the absolute safest and most efficient systems in place for our students and their families. To that end, this letter is to inform you of a change that will be coming to Pine Road starting on Monday, January 30th.

After much review, we have determined that the traffic flow in our front parking zone will move more safely and efficiently if we allow vehicles to make **right turns only** when exiting our lot during our busiest times in the morning and afternoon.

Signage indicating **No Left Turn** will be posted and visible starting on January 30th. ***This will be in effect daily from 8:40-9:00 AM and 3:25-3:45 PM.*** Traffic patterns for the balance of the day will be unchanged.

Thank you for your support in helping us maintain a safe and efficient traffic flow at our school.

If you should have any questions, please do not hesitate in reaching out to me.

Sincerely,

Brian J. Swank
Principal
