

Webpage Registration/E-Alerts

The Lower Moreland Township School District encourages communicating district and building information with parents via email through the district website by e-Alerts. Once you are registered and signed into the website, you are able to access your information to modify your logon and password and update your profile information. Please keep your password safe as registration will provide you access to additional pages on the website as well as the ability to receive e-Alerts. E-Alerts are automatically generated email messages sent when areas of community interest are updated on the site. For example, if content is changed on the website, an e-alert may be automatically generated to interested registered users if the content is critical. Building principals may also generate E-alerts when they update their weekly or monthly news items online. Detailed instructions on how to sign-in, update your profile information, and subscribe to website content to receive E-alerts are provided below.

To Register:

Click “Register” in the upper right hand corner of the district website. You will be asked to input your birth date. Fill out the registration form. Click Submit. At this point, your registration will be accepted and you may continue by clicking “Sign-in to the LMTSD website” and providing your Sign-in Name and password.

To Sign-Into the website:

Once registered, anyone can Sign-In. Signing-in simply requires your Sign-In Name and Password. Open your web browser (Internet Explorer) and type in www.lmtsd.org Click Sign in to logon to the district website. You will be prompted to enter your Sign-In Name and Password.

Upon logging in, you will see the following screen. You will only see this screen once –the first time you log in. Click on Continue on to the Main Area to get to the district website.
