Instructions

1. Please review this schedule and inform students of the date, time, and location of specific examinations. Notify Mr. Mayson if there are any conflicts, which require correction.
2. Teachers who are giving the test have the responsibility for getting it to the proctor, along with instructions, prior to the time of the testing.
3. Teachers who are absent on a day when they are scheduled for proctoring an examination should attempt to switch times with a colleague when possible.
4. Part-time teachers who do not have a specific assignment on a given day are to be available for coverage and general supervision

Procedures for Examinations

1. *Conflicts in the examination schedule must be worked out between the student and the teacher involved. Where several students are involved in taking double courses (e.g. two science courses) make-ups should be coordinated among departments to avoid infringement on scheduled times and further conflicts with other make-ups.*
2. *Examinations are scheduled to last a minimum of one and one-half hours and a maximum of two hours. Students are to remain in the room for the minimum amount of time, and proctors are to stay until the last student is finished.*
3. *It is the proctor's responsibility to return all test materials to the appropriate instructor.*
4. *Students are to have no books or study aids in their possession during the examinations.*
5. *Proctors will take attendance from a class roster provided with the tests by the examining teacher.*
6. *Students are required to be in school only on the days and times that they have examinations but they must be on time.*
7. *When not taking an examination, students are to be in one of the following supervised locations: cafeteria and library.*
8. *A breakfast menu and snacks will be provided in the cafeteria for students until 10:30 a.m.*

Transportation will be provided on a regular basis in the morning on all exam days.

- ***Wednesday, June 16*** ***10:00 am - 6 routes*** ***12:15 pm - 2 routes*** ***3:15 pm - 2 routes***
- ***Thursday, June 17*** ***12:15 pm - 6 routes*** ***3:15 pm - 2 routes***
- ***Friday, June 18*** ***10:00 am - 6 routes*** ***12:15 pm - 2 routes***

10. *Upon completing their examinations, students are to leave the building quickly and quietly or report to a designated study area.*
11. *Those on general assistance are to keep the hallways quiet and clear and to provide assistance to proctors as needed. Report problems to Mr. Mayson or call the main office, ext. 2501 or 2502.*
12. *Students are reminded to bring two #2 lead pencils to each examination unless otherwise directed by the examining teacher.*
13. *Mid-terms and final examinations count for a total of 1/5 of the final grade for year-long courses.*
14. *During these days, regular working hours are to be observed. Lunch for faculty will be on your own. Anyone going out to lunch must return by 1:00 p.m.*
