

First Grade Supply List

Dear First Graders and Parents,

Many of you are anxiously awaiting the beginning of the school year in September. In order to make your school preparations a bit easier, the first grade teaching team has prepared a list of supplies that all first graders will need. This list is a starting point, but before you begin shopping, please check individual teacher websites for additional supplies or differences in needed supplies. Please look for that list toward the end of August when you receive your class placement; all items on both lists should be purchased for the start of the school year.

Please send in the supplies in a shopping bag labeled with your child's first and last name. (Items do not have to be labeled individually as those indicated below with a * may be distributed throughout the class in some classes.)

Thank you!

The First Grade Teachers
