Re: Walker and Car Pick-up at Dismissal

This is a friendly reminder that there is a difference between **walker** pick up and **car** pick up at dismissal.

Walker pick up in the main lobby is reserved for 4th and 5th grade students that have a parent note and for students who walk home from school with their parent/guardian. **Walker** pick up is not for students who are driven home.

Car pick up is for students who are driven home from school. **Car** pick up takes place in the front of the school at the library entrance. Parents and guardians picking up children in the car line should remain in their vehicles.

If you are picking up your child in a vehicle and driving them home you **must** remain in the car valet line. Parent pick-up in our lobby during our normal pick-up time is for walkers only. We have many vehicles in our lot during dismissal. It creates a potentially unsafe situation to have many people walking to and from their cars during this time of the day.
