

# Lion's Pride Nomination Form

The "Lion's Pride" recognition was developed to acknowledge the many diverse talents of Lower Moreland Township School District's community members, students, and committed staff.

A nominee should meet the following criteria:

- Has made an extraordinary contribution to the Lower Moreland Township School District.
- Gives of his/her time to make a difference within the District.

(If a staff member is being nominated, it should be for something that the staff member has done that meets the criteria above, and not as recognition for their job performance.)

I wish to nominate \_\_\_\_\_ of
