Personnel Charges - A personnel charge shall be made for custodial services when custodians are deemed necessary. Personnel charges for custodians shall be made at the current rate.

Adult Supervisor Charges – All outside groups using the Auditorium or any other venue where technical services involving student workers are involved will be charged the District's Curriculum Rate (currently \$43/hour) for an Adult Supervisor. This individual will coordinate with the outside group during the event and provide a safe and secure environment for all district personnel.

Student Tech Workers – All outside groups using the Auditorium or any other venue where technical services involving student workers are involved will be charged \$10/hour for each student worker involved in the program.
