Dear Lower Moreland Parents & Guardians:

The Embracing the Conversation Committee, a district committee focused on drug prevention efforts, is bringing an exciting assembly program to our district in April, Marc Mero's Champion of Choices program.

Marc Mero, a retired amateur boxer and former WWE Wrestling champion, shares his journey with audiences and includes a number of powerful messages. He describes growing up in poverty to then become a sports-entertainment success and losing it all to the choices he made. He explains the impact of choosing his friends and his involvement with drugs and alcohol on his life's story. His presentation also addresses issues of bullying and suicide prevention as well as the importance of relationships in our lives. His message includes how to have hope and be resilient when facing challenges as well as how to find your passion and set goals to achieve your dreams.

The student presentation will be for grades 8 through 12 and will take place on **Monday, April 3, 2017**, at Lower Moreland High School at 1 pm. There will also be a parent and community presentation in the evening at **7:00 pm** in the auditorium of the Lower Moreland High School. We hope you will join us for this inspiring parent presentation. Students are also welcome to attend.
