**This calendar includes 5 snow days.** If there are less than 5 snow days, the calendar will be adjusted in April by the Board of School Directors so that students will attend 181 days for the year, and teachers will report for 187 days. If there are more than five snow days, days will be added by removing successive days from the beginning of the Spring Break (maximum of 3 (three) days), and finally by adding any additional days at the end of the school year.
