

Dear Parents/Guardians,

This letter is regarding the breakfast and lunch program that we will be offering to both virtual and hybrid students this year. Below are the details:

- Hybrid Students:
 - Students who are enrolled in hybrid learning will be able to purchase breakfast and lunch in the cafeteria when they are at school in person.
 - Students at school will also have the option to take breakfast and lunch bags home with them for the days they are not in school. For example, if your student is in school on Monday, they will be able to take home breakfast and lunch for Tuesday and Wednesday.
 - Take home bags will be distributed at the end of the day before dismissal for students who want this option.

- Virtual Students:
 - Starting September 1st, student meals will be able for picked up at Murray Avenue on Tuesdays and Fridays from 3:30 PM – 5:30 PM. Please drive to the main entrance of the building through the bus drop off and pick up line. Please stay in your car and let the cashiers know your student's ID number or last name. These meals are available for all virtual Lower Moreland students.
 - Only complete meals as defined by USDA will be available for pick up at this time. A complete breakfast will include an entrée, juice, fruit, and milk. A complete lunch will include an entrée, fruit, vegetable, and milk.
 - If picking up on Tuesday, you will receive breakfast and lunch for Tuesday, Wednesday, and Thursday. If picking up on Friday, you will receive breakfast and lunch for Friday and Monday. Meals will only be able for days that school is in session. There will not be meals available for weekends, holidays, or breaks.
