

LOWER MORELAND TOWNSHIP SCHOOL DISTRICT

An exemplary learning community...
committed to preparing and empowering all learners

March 15, 2020

Good afternoon Parents/Guardians, Students, and Staff,

As you are now well aware, on Friday, March 13, 2020, Pennsylvania Governor Tom Wolf ordered a two-week closure of all K-12 PA schools. Lower Moreland Township School District will remain closed through Sunday, March 29, 2020. LMTSD anticipates that students will return to school on Monday, March 30, 2020. However, LMTSD will continue to communicate any changes and directives from either the Commonwealth of PA or the United States federal government that could further expand or define this period of closure.

Students will be able to access links to online enrichment opportunities beginning tomorrow, Monday, March 16, 2020. Students are not required to complete any work during this two-week closure period and no long term projects will be assigned. However, these will provide all students with an opportunity to access and engage in some independent learning experiences.

We also want to remind our school community that there are families that rely on our daily school lunch program. We want to maintain this important meal for these students. Beginning Monday, families can pick up a daily lunch for their child/children in a non-congregate setting. Therefore, during the closure, between the hours of 10 a.m. - 12 p.m. (Monday - Friday), families may use a drive-by service in the Murray Ave. front parking lot to pick up a bagged lunch that includes the following: protein, grain, fruit, vegetable, and milk.

Lastly, in spite of the recent events centering on COVID-19, I do want to share with our school community a wonderful event that took place last Thursday. Prior to our school district closure, the LMTSD All Band Concert was held. Albeit a very different format, but, nonetheless still a great way for our student-musicians to play in front of the lights and cameras. Many thanks to our Band Directors - Mr. DeGeorge, Mrs. Lillie-Beck, and Mr. Stroup, as well as Dr. Hilt,

Technology Director, and his Team for their efforts in allowing this very important concert to take place and be archived. Please enjoy both the [concert](#) and [photo gallery](#).

Sincerely,

Scott Davidheiser, Ed.D.
Superintendent
